DISTRICT OF RESIDENCY AND INTERDISTRICT TRANSFERS

The following information explains the residency issue and how that issue is separate from the Interdistrict Agreement issue.

SCHOOL DISTRICT OF RESIDENCY: There are two ways that school district of residency can be determined. One is based on where the parent/legal guardian resides and the other is based on where the parent/legal guardian is employed:

(1) **School District of Residency Based on Where the Parent/Legal Guardian Resides:** When a parent or legal guardian establishes residency for the purpose of school attendance for their children based on where they reside, the parent contacts the local school to enroll their children.

(2) **School District of Residency Based on Where the Parent/Legal Guardian is Employed:** Education Code section 48204(b) indicates that residency can be established "if one or both of the parents or legal guardians of the pupil is **employed within the boundaries of the district for at least ten (10) hours during the school week.**" Subject to the limitations of Education Code section 48204(b)(1-5), **the parent/legal guardian may elect to apply for admission to either the school where they reside or where they are employed. No Interdistrict Agreement is required.**

Education Code section 48204(b)(1) states, *"This subdivision does not require the school district within which the parents or legal guardians of a pupil are employed to admit the pupil to its schools. Districts may not, however, refuse to admit pupils under this subdivision on the basis of ... race, ethnicity, sex, parental income, scholastic achievement, or any other arbitrary consideration."*

For parents or legal guardians who elect to apply for admission to Muroc schools because they are employed within our district boundaries, we will use the following process:

1. The parent/legal guardian will complete and submit to the Muroc District Office the "RESIDENCY BASED ON EMPLOYMENT APPLICATION & AGREEMENT" form.
2. The District will verify that the parent/legal guardian is employed within district boundaries (*parent will be required to provide: pay stub or letter from employer*).
3. The District will determine whether there is capacity at our schools and that the appropriate programs are available within our district, and then approve or deny the application.
4. The pupil may attend through the 12th grade, and **no annual reapplication is required as long as the parent/legal guardian is employed within district boundaries.** If the parent/legal guardian is no longer employed within district boundaries, then the following section regarding INTERDISTRICT TRANSFERS will apply.

INTERDISTRICT TRANSFERS: If the parent/legal guardian neither resides nor is employed within the Muroc district boundaries, an Interdistrict Attendance Agreement is required. The steps below will be used by Muroc to process Interdistrict Agreement requests:

1. The parent/legal guardian must obtain a release from the district in which they reside (*commonly referred to as an "Interdistrict Attendance Agreement" or "Interdistrict Attendance Waiver"*).
2. The parent/legal guardian will complete and submit to the Muroc District Office the following paperwork:
 - a. A copy of the approved release agreement from their district of residence; and
 - b. Muroc's "INTERDISTRICT ATTENDANCE APPLICATION & AGREEMENT" form.
3. The District will determine whether there is capacity at our schools and that the appropriate programs are available within our district, and then approve or deny the application.
4. If the Interdistrict Agreement is approved by Muroc, no annual reapplication is required as long as the student remains successful in our schools.
